

SURE SEAL® GRAFFITI SHADOW BUSTER GRAFFITI REMOVER GEL TECHNICAL INFORMATION

Product Description: Sure Seal® Graffiti Shadow Buster is a unique gel formulation developed specifically to remove graffiti and shadowing from all types of surfaces including, but not limited to, brickwork, concrete, metal, glass, timber, signs, perspex and painted surfaces. Removes residue left from spray cans, felt pen based paints and inks.

FEATURES

Low Odour
Gel Formulation
Acts as a %Boulitice+

Fast Acting/Easy to Apply

Easy Rinsing

Multi-Uses

BENEFITS

No unpleasant solvent fumes
Less product waste-no runoff
Applied to a concentrated area of graffiti or shadowing, draws out stubborn graffiti or shadowing from the surface for easy removal.

Removes graffiti and/or shadowing in less than 3 minutes

Pressure washer or low pressure hand-held spray pump

Works on numerous surfaces

Mixing: Shake before use. Use as is-do not dilute.

Application Methods: Surface must be dry before application. Apply to the surface and agitate using a brush or broom. Allow up to 3 minutes contact time, then rinse off with a high-pressure washer and cold water or for interior work where use of a high pressure washer to rinse off is not practical, use a low pressure hand-held spray pump. Please note, it is recommended after using Graffiti Remover on painted services, a neutralizer/cleaner, such as Sure Seal® Sure-Can-Clean water-base cleaner at 1-5% dilution rate, be applied to the substrate and then rinsed off thoroughly with water.

Coverage: One litre will cover approximately 15-20 sq. metres depending upon the porosity of the surface to be treated and method of application.

Quantities:

Supplied in 20 litre drums.

First Aid:

Ingestion: If swallowed, DO NOT induce vomiting. Give a glass of water to drink and call a physician immediately.

Eye Contact: If eye contact occurs, flush immediately with plenty of water for 15 minutes, ensuring eye lids are held open. If irritation persists transport to hospital or doctor.

Skin Contact: Remove contaminated clothing and wash skin thoroughly with soap and water. If irritation persists transport to hospital or doctor.

Inhalation: Move victim to fresh air. Apply resuscitation if victim is not breathing. Seek medical assistance.

Protective Clothing: Wear appropriate chemical resistant protective clothing including appropriate PVC or rubber gloves and goggles to protect eyes. See MSDS for further information.

Handling & Storage: Store in a cool place and out of direct sunlight and from sources of heat or ignition or from oxidizing agents. Keep containers closed when not using the product. Store in original packages as approved by the manufacturer. Dispose of in accordance with appropriate State authority.

Shipping Information: This product has no UN classification. This product is a Scheduled S5 Poison. Not classified as a Dangerous Good, according to the Australian Code for the Transport of Dangerous Goods by Road and Rail (6th Edition).

See Material Safety Data Sheet for complete safety and handling instructions.
